

EXEMPTION POLICY/PROCEDURE

20 OCT 2016

The following policy applies to all Assemblies/Consistories. The requested exemption per member is to be sent to the Deputy for the Orient with full information of member and situation. This member is not active and will not be in attendance at the COD due to age, health or other incapacitating factor. The key is that they are inactive that they don't attend and or participate in the activities of the Assembly or Consistory.

The Deputy will respond in writing nothing is valid without the written approval of the Deputy. (Keep in mind that the Deputy can only exempt that portion added by the proposal voted on by the COD during 2015 session.) That assessment levied by the Grand Assembly and the COD will be due per member. Now that can be absorbed by the Assembly/Consistory that being their desire.

Questions should be directed to the Deputy for the Orient of Kentucky.

Fraternally,

SGIG KEVIN L. SCRUGGS
Deputy For Kentucky
